CERTIFICATE OF APPRECIATION

PRESENTED TO

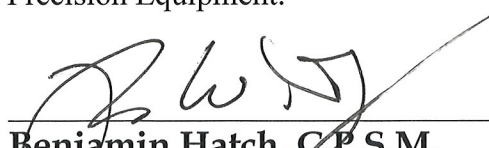

PRECISION EQUIPMENT, INC.

31 January 2014

For exceptional customer service in support of Kaiser Aluminum Washington, LLC. Major Maintenance project R-1217 , Casting Cylinder Rebuild 14" X 144". Precision Equipment's excellent customer service, on point customer communication, speedy rebuild turnaround and contribution to cost savings were instrumental in making this project a success. The care shown by Gene Hildreth and his team in handling this high priority project for Kaiser puts Precision Equipment "head and shoulders" above the competition. Our success depends on suppliers like Precision Equipment.
